

SOUTHVILLE INTERNATIONAL SCHOOL AND COLLEGES RED CROSS YOUTH ORGANIZATION

ACCREDITED BY THE PHILIPPINE RED CROSS - MUNTINLUPA CHAPTER

Southville Red Cross Youth Hosts Another Successful Blood Donation Drive for AY 2024-2025

The Southville International School and Colleges (SISC) - Red Cross Youth (RCY) Organization, in partnership with the SISC Medical Team, Southville for Others (SFO), and the Philippine Red Cross - Muntinlupa Chapter, successfully held a Blood Donation Drive on February 19, 2025, at the Lux Hall. The initiative aimed to address the constant need for blood supply and contribute to saving lives within the community. Recognizing the critical role of blood donation in emergency situations and various medical treatments, the SISC-RCY spearheaded this drive to encourage voluntary blood donations among students, faculty, staff, and the wider community.

The event saw a commendable turnout, with numerous individuals stepping forward to donate. The collaborative efforts of all participating organizations ensured a smooth and efficient process, adhering to strict safety and hygiene protocols. The collected blood bags will significantly aid the Philippine Red Cross in meeting the demands of local hospitals and patients in need. A total of 38 bags of blood were collected, exceeding initial expectations and demonstrating the strong spirit of volunteerism within the SISC community. This successful blood donation drive underscores SISC's commitment to social responsibility and its dedication to fostering a culture of compassion and service. The SISC-RCY extends its gratitude to all donors, volunteers, and partner organizations for their invaluable contributions to this life-saving endeavor.
